

PRINCE2[®] Re-registration

PRINCE2[®] is an internationally recognised best practice project management methodology. Since its inception in 1989, it has been widely adopted and successfully implemented throughout both the public and private sectors around the world.

The re-registration course allows those who have previously passed their PRINCE2 Practitioner exam to re-register their practitioner status if it is due to expire or has expired.

PRINCE2 Practitioner registration lasts for five years from the date of the last exam pass.

Benefits to the individual

- Recognised qualification
- Confidence to take on all projects
- Learn how to delegate work to teams
- Renewal of PRINCE2 Practitioner status
- An update of knowledge to PRINCE2 2009 if the previous practitioner pass was prior to this version

Benefits to the business

- Gives staff tools to successfully deliver projects on time and within budget
- Minimised risk of project failure
- Reduced waste and increased productivity
- Higher levels of customer satisfaction
- Knowledge that employees have met a recognised standard in PRINCE2 Project Management
- The framework is flexible, scalable, systematic and can be used for a huge variety of different projects.

Audience

Course outline

The course is conducted through interactive group study using practical examples and activities. A significant amount of time is spent looking at the sample exam papers with scenarios provided by the examination board.

Our courses include:

- High quality accredited courseware
- Experienced and accredited trainer
- PRINCE2 Re-registration exam (or full Practitioner exam on request)
- Pre-course reading to help you prepare for the course and exam

Important: All delegates will need their own copy of the PRINCE2 Manual "Managing Successful Projects with PRINCE2 (2009 edition – purple in colour). These are not automatically included but can be supplied upon request

Course content

Application of PRINCE2:

A variety of exercises using our own case study are used to cover PRINCE2 Practitioner topics

Exam preparation:

Two additional case studies and exams supplied by the examination board are used to re-enforce the PRINCE2 topics and provide exam practice

Evening study:

Delegates are expected to spend time reading and reviewing course as well as completing sample exam questions.

Exam details

The re-registration exam lasts for 1 hr. It consists of three questions worth 10 points each and the pass mark is 55%.

Alternatively many delegates elect to take the full practitioner exam (2.5hrs, 8 questions) as this allows a broader spectrum of topics when completing the exam. Both are open book exams.
